

Super Lawyers

The Law Office of Kevin F. Jursinski & Associates is proud to announce that Attorney Kevin F. Jursinski has been selected for inclusion on the **2010 Florida Super Lawyers** list.

Attorney Jursinski's selection was based on the **Florida Super Lawyers'** statewide nomination process which includes an evaluation by his peers. Only five percent of Florida attorneys are selected as **Super Lawyers**.

The attorney-led research staff of **Super Lawyers** searches for lawyers who have attained certain honors, results or credentials, which indicate a high degree of peer recognition or professional competence, what they term "Star Search Credentials." These credentials include certification as a specialist in a particular area of practice or admission to prestigious colleges or academies, e.g., The American College of Trial Lawyers. The staff identifies these "Star Search Credentials" by reviewing a proprietary listing of more than 150 database and online sources, as well as national and local legal trade publications.

Kevin F. Jursinski adds this distinction to his resume along with being one of approximately 427 attorneys (out of 80,000+ licensed attorneys in the State of Florida) who is certified by the Florida Bar as a Florida Bar Board Certified Real Estate Attorney as well as his AV® attorney rating by Martindale-Hubbell. He has been recognized by his peers for attaining the highest levels of professional excellence, skill and integrity.

Please join the staff of the Law Office of Kevin F. Jursinski & Associates, in congratulating Attorney Jursinski in receiving such an honored distinction. Additionally, we thank you for your business, without which, this honor would not be possible.
